Let Us Show You
What We Can Do

Picture and Frame.

The optimist dots try to win
the world over to his side.

By making life a game in
a gilded frame of mind.

Serious Case.

"I sent you a patient today," said
the fashionable physician to the
young medico.

"What's the trouble, doctor? What is the
matter with him?"

"Lack of money."

The Gossips.

"Does Biggs understand his busi-

ness? I don't see why he should slight
himself," replied Miss Cayenne. "He
knows everybody else's business."

In Doubt.

He this letter intended to convey
gratitude or what?

"What does he say?"

"Thanks me for passes to the race-
track and says he lost \$40."

Typical.

Mr. Hopper—*I'm a submarine.*

Mr. Jolliffe—*What do you mean?*

Typical, in the business world.

Something to Be Thankful For.

"I'm somebody has stolen our auto!"

"Well, let's be thankful there wasn't
any gasoline in it, it didn't."

Her Forte.

"Your laundry seems to be a timid
woman. She is, but she manages to put
up a stiff front."

Home Furniture.

"Please—Now hold! Indeed!"

Where do you get that idea? That's
that hand-crocheted laundry bag. It's
nothing like a nose bag.

Her Husband—*That's what I
thought. It's a nose bag for a clothes
horse.*

Simple.

Professor—I'm sorry to tell you,
madam, that your daughter is hope-

lessly bad at her work if she
had talent.

Mr. Lovell Brown—*Rush! I thought
you were going to give her some
advice.*

Appearances Deceiving.

"What's the fare, driver?"

"Five dollars."

"No, it isn't. Here are \$2. I am
not such a fool as I look."

"No sir. I wish you were, sir."

With Malice Preposse.

"Cook left, eh?"

"Yes, she was too good. During the
months she was with us my wife
gathered 20 pounds."

"Where is she now?"

"My wife managed to work her off
on a woman she detests."

The Drawback.

"There is only one reason I know
of why a man doesn't have a say
in everything gotten."

"What is that?"

"If she's dumb."

ADOPT RULE TO OUTLAW SUBMARINE

FIVE NATIONS APPROVE TWO OF THE ROOT RESOLUTIONS

PROGRESS ON FAR EAST

RESOLUTIONS FOR HIGHER TARIFF FOR CHINA AND INVESTIGATION OF WITHDRAWAL OF FOREIGN TROOPS ADOPTED UPON BY COMMITTEE.

WASHINGTON.—The submarine rules, as framed by Mr. Root, to restore the international law of the sea, and to prohibit any submarine attack on merchant ships were unanimously adopted by the Naval Committee of the Arms Conference.

Two.—The signature powers, all other civilized powers to express their assent to the foregoing statement, to be a clear public understanding throughout the world of the standard of conduct by which the public opinion of the world is to pass judgment upon future belligerents.

Three.—The signature powers request the practical immediate use of using submarine as commerce destroyers without violating, as they were violated the recent way of 1919, the requirements universal of the international law of the sea.

With this submarine question out of the way, the practical work of the Conference is a matter of hours. Agreement on tonnage rules of ship of war auxiliaries will be adopted at once, and the British will be asked to accept the same.

The committee then adjourned until January 6, 1922, at 11 A. M.
